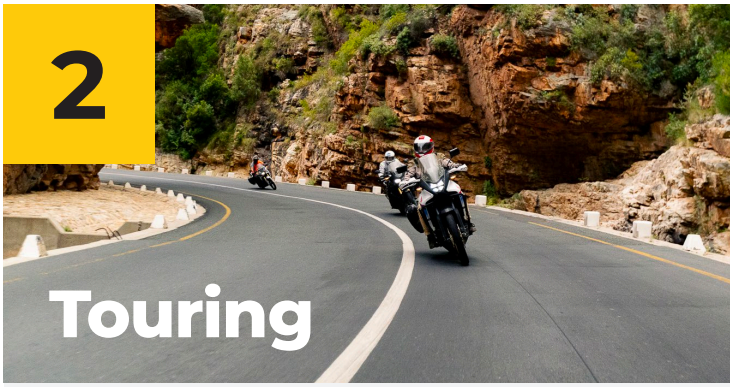
HOW OUR TOURS ARE GRADED

1 Easy

Good tar roads, gentle pace, suitable for 500–750cc motorcycles, including city traffic.

RIDE IT ON
One day Cape Peninsula ride

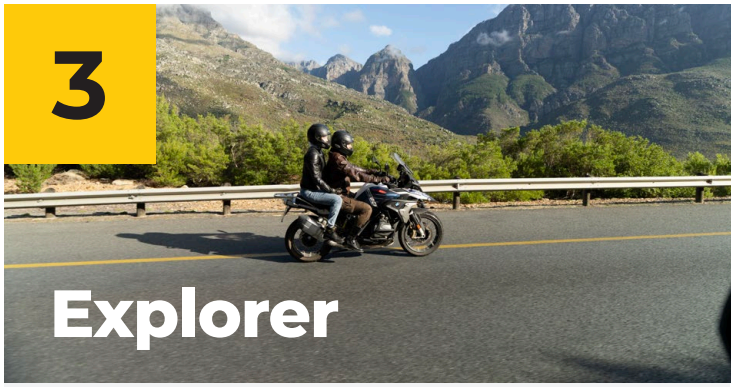
2 Touring



All tar, with twisty mountain passes and longer days in the saddle, up to 450 km. Pillion friendly.

RIDE IT ON
Southern Sweep

3 Explorer



Mostly tar, with wide, maintained gravel stretches up to about 50 km. No technical off-road skills needed.
Pillion friendly.

RIDE IT ON
Edge of Africa - Classic Track / Best of the Western Cape

4 Adventurous

Mostly tar, with gravel days up to 350 km. Expect loose stones and occasional short sandy stretches.
Be comfortable riding loose surfaces.

RIDE IT ON
Feast of Southern Africa / Best of Namibia

5 Technical

Narrow off-road tracks, river crossings and uneven surfaces. Advanced bike handling required; expect to stand on the pegs through technical sections.

RIDE IT ON
Edge of Africa - Adventure Track

6 Extreme

Extended sections of deep sand and mud: enduro bike territory. Included on the scale to show where our tours stop.
